HAND SANITIZER

At Dan-Loc, **Community** is one of our core values. In order to better serve our community, we have partnered with Ashburn Chemical Technologies to help provide hand sanitizer to help stop the spread of the Coronavirus.

PERFORMANCE THAT COUNTS.

Ashburn hand sanitizer is an alcohol-based liquid and sanitizer that evaporates quickly. It is recommended for repeated use to help decrease bacteria on the skin.

FEATURES & BENEFITS

- Helps prevent infectious diseases
- Alcohol-based liquid
- Evaporates quickly
- Can be used anytime and anywhere
- For use when you don't have ready access to soap and water

Active ingredient: Ethyl Alcohol 80%

Hand sanitizer packaging

Ashburn Part#	Description	NDC Package Code
